PERSONAL AND CONFIDENTIAL

SUBJECT: David Francies

Dear Jerry:

A year ago we had some correspondence concerning an individual by the name of David Francies. This individual was registered with Troop 99 and had been convicted of child molestation.

We indicated in our letter that we did not feel that he should be registered and asked you send us a confidential record sheet so that we could identify him and close our file.

According to our records, we did not receive the confidential record sheet which we requested. I am enclosing another one so that you may complete it. This will enable registration to be refused wherever the individual may move. It is most important that we have this so that we do not allow some other child to be injured by this individual.

Sincerely,

Paul I. Ernst, Director

PERSONAL AND CONFIDENTIAL

Dear Jerry:

You recently sent me a letter concerning David Francies with Troop 99. It was indicated that this man has been convicted in court of 2nd degree sexual abuse.

I note that the newspaper article also indicates that this person is to have no contact with boys 16 years old or younger and, therefore, I think that most parents would not want him associated with their sons in a Scout troop.

I understand that many times friends do not feel that someone is guilty but the court of law right now takes jurisdiction and precedence in such cases and I would have to say from the information you have sent me, I would refuse to register the individual. We certainly would review the matter in another 4 or 5 years and see what has happened in the meantime.

Please complete the enclosed Confidential Record Sheet so that we may have information that will enable us to identify Mr. Francies.

I certainly will answer any questions I can if you have further observations after receiving my letter.

Sincerely,

Paul I. Ernst, Director

Dear Paul,

A Scouter in our district, named David Francies, with Troop 99, has been convicted of some type of child molestation in a court of law. His position with the unit has change since this suit came up from Scoutmaster to a member of the committee. He was not sentenced by the court. The sponsoring institution and his Scouter friends feel that he was not guilty. I have asked for copies of the newspaper report to forward to you. We appreciate your recommendation on how this should be handled as far as the Boy Scouts of America is concerned.

Sincerely,

Jerry Dempsey
Scout Executive

MP man sentenced

COQUILLE — David Reeves.

Francis, 48, Myrtle Point, was sentenced Tuesday on a charge of second-degree sexual abuse by Coos County District Court Judge Charles

According to Assistant District Attorney Glenn Faber, the prosecutor in the case, Francis was placed on two years probation and ordered to participate in a mental health program.

Also, the judge ordered that the defendant take a polygraph test every four months, have no direct contact with boys 16 years old or younger except for relatives and close friends and commit no violations of law other than minor traffic offenses, said Faber.

Francis was convicted earlier this month of the abuse charge.
